Ref: Solid Waste Contract Extension Offer Letter 2021 – Revised for Clarification

Dear Mr. Medina,

First and foremost, I would like to thank you, the Mayor and the City Councilmember's of Rio Hondo for the opportunity to serve the residents and commercial entities of the City of Rio Hondo with their solid waste needs. As part of our desire to continue to keep working together with the city and provide the services the community has become so accustomed to, we are providing you this letter with the offer of contract extension for an additional four year term. With that in mind, I thank you in advance for giving us the opportunity to present you with this contract extension offer and hope that you will consider it. We look forward to continuing our partnership. As part of the offer of extension, we are currently and will continue to provide you as part of the extension offer 1X per week residential cart services and 1X per month brush/bulky services. The current contract expires on 7/31/2021. Extension of this contract would begin on 8/1/2021 through 7/31/2025.

Our contract extension offer is as below:

- 1. Current rates being provided would be held for the first year. Therefore, Rio Hondo would not receive any price increases for the services being provided until August of 2022. ***See pricing below which reflects the current rates that would remain in effect until the next price increase.**
- 2. The current Annual Price Increases are capped at 6%. Republic Services is offering to lower the cap rate to 4%. This reduction in the price increase cap will help keep rates lower. Therefore, Annual Price increase for years 2, 3 and 4 would range from 0% to 4% MAX and based on the change in the index.**
- 3. Modifications to Rates for years 2, 3 and 4 would be calculated as stipulated in Section 13.02 of the current contract. The changes made shall be adjusted to reflect changes in the cost of operations, as reflected by fluctuations in the Consumer Price Index for All Urban Consumers Water and Sewer and Trash Collection Services index as published by the U.S. Department of Labor, Bureau of Statistics; specifically, as of October 1, 2022 and every twelve month period thereafter ("Rate Modification Date") fees shall be adjusted the ensuing twelve-month period in a percentage amount equal to one hundred percent (100%) of the net percentage change of the Water and Sewer and Trash Collection Services index. All percentage changes are**

to be computed as the twelve-month average, year over year difference between the index values as of the month of June. Annually modified rates shall not be lower than preceding year's rates.

- 4. Republic Services would commit to providing new carts to all Residential accounts at the start of year 1 of the contract. New carts would be as pictured below. The carts would bring a new look to the City of Rio Hondo!
- 5. All aspects of the language, services and formalities as contained in the current contract would remain unchanged and in effect as well.

We hope that you will consider this extension/renewal offer. While Republic Services completely understands that many municipalities are feeling some financial pressure due to the current pandemic and affect it is having on many business' and individuals alike, we are glad to be able to offer you this renewal offer without the need to adjust pricing.

We look forward to continuing our relationship with Rio Hondo and make ourselves available to meet with you and further discuss this opportunity. We consider ourselves a part of your community and assure you that we will do all we can to keep working towards exceeding your expectations. Should you have any questions or concerns, or would like to further discuss options, please do not hesitate to contact me.

Sincerely,
